

We hope you have had a wonderful Easter break. We look forward to a busy and exciting term ahead. Welcome to Freddy, Nihal and Aaryan who this week joined our school. We hope they grow and flourish as part of our school community. This week your children welcomed our local Member of Parliament, Matthew Offord, into school in recognition of International Earth Day. Your children wrote their own questions and delivered them with confidence and charisma. Dr Offord answered many questions; some fairly contentious! Those he was unable to answer due to time constraints he took with him and has promised to reply in writing. We look forward to sharing his response with you.
