Golden Tea is an opportunity for children, to show Mrs Wilson the work they have completed that week of which they are most proud, whilst enjoying juice and biscuits together. Golden Tea took place this morning during break time. There were more children than is normal to ensure that all children at St Martin's have had the opportunity to enjoy Golden Tea before the end of the term –

Yesterday we ran our House competition which this half term was all about 'geography knowledge'. Round one was questions all about Britain answered by children from Nursery, Reception and Form1, round two tested Form 2,3 and 4's knowledge on Europe and the final round was World Knowledge answered by Forms 5 and 6. This was a very exciting event which resulted in a tie between Widor and Elgar. Congratulations and well done to all of the children who participated as members of the team in each round.

Mrs Mbah is exceptionally proud of the Eco Council children for achieving the Bronze Eco-Schools award. This involved setting up the council, evaluating the school's impact on the environment and creating an action plan to improve our transport sustainability and waste reduction. We are well on our way to Silver having met all the actions in our first action plan already!

Please see attached a letter from Mrs Mbah with details of the half termly certificates which will be given to our children each half term. Your children will have come home with their certificates today. If your children are absent today, they will be posted home.
