

You will all have now received a letter regarding the end of term on-site provision for all classes for the rest of the academic year. It is of course unfortunate and frustrating that we are unable to open the school to all remaining classes due to significant health and safety concerns. However, we hope your children are looking forward to returning for their assessments, sports day and movie session. Now, more than ever, we recognize the importance of social interaction with your children's friends and teachers and we hope you feel able to bring them to school on these occasions. Have a wonderful weekend.

Golden Tea took place on Wednesday this week, using Teams - The only difference was that you have to provide the biscuits 😊 This week the following children were chosen at random -

Seth & Tobias

Please do continue to email your child's registration each morning before 9am – it would help Mrs Jacobs immensely as she is now monitoring absences both on site and at home. Children attending school - please do ensure you arrive in good time. Lateness can be disruptive to the learning of all children in the class. Thank you.

Further to requests, we are happy to confirm that we are planning on running a summer club – both an 11+ Form 5 preparation club and our usual summer fun club. We will share dates and arrangements as soon as we are able.

help@stmartinmillhill.co.uk continues to be monitored. If you have any worries, welfare concerns, need help with errands or COVID safety advice please do not hesitate to send an email. It will be treated in the most confidential and understanding way. Thank you
