Golden Tea is an opportunity for children, to show Mrs Wilson the work they have completed that week of which they are most proud, whilst enjoying juice and biscuits together. Golden Tea took place on Wednesday this week, using Teams - The only difference was that you have to provide the biscuits ☺ This week the following children were chosen at random -

Molly Hashini CJ Chloe B Tre Jessica

If you have recently moved home, please ensure we have your up to date contact details, including address, parent contact details and emergency contact details. Many thanks.

Please ensure you make your appointment with Uniform4Kids for all your uniform needs for September – don't leave it too late; they are very busy. They have recommended that all orders are placed by 10th August in order to avoid disappointment. Thank you.

The portal will be closing tomorrow and all posts cleared in order that formatting and updating can take place over the summer. Outlook 365 will however remain open – including Outlook and Teams.

A message from our outgoing Head Boy, Rohan Jeffrey

When I started at St Martin's I was very glad that I had chosen this school. As soon as I stepped into the building I was welcomed like I had lived there forever. I think everyone feels like that. I have grown such a love for the school and all the classes and enjoyed playing with all of my St Martin's family. I thought I would never leave as three years seemed so long; sadly, it went so quickly that I still think it was my first day only yesterday.

Year 6 are so grateful for everything that the teachers have done for us. They have helped us with our exams and secondary school interviews. Without them we would never be as amazing as we are today. I think everybody hates leaving school as I do because it will feel very different from the normal environment. If I hadn't gone to this school, I wouldn't have the confidence to go to secondary school.

One other thing that is really interesting, is that our last year at St Martin's has changed because of the pandemic. It has made us stay away from our family at school. It has also been a fantastic experience because it shows us how fabulous everyone in the community can be. Everyone has had the same experience as me; staying and learning from home, and we have all coped with it so well it really makes me proud that I am in St Martin's.

Thank you for being who you are, teachers. We will miss you all and all our friends. We will miss the school. Thank you for providing me with the best primary school years ever.

A message from our outgoing Head Girl, Brooklyn Miller

When I found out that I would be head girl at St Martins I was over the moon excited. It made me feel responsible and trusted to have such an important role in the school. My favourite thing about being Head girl was writing in the St Martin's Post. I enjoyed being a role model for all the other children. It also made me happy knowing that everyone looks up to me and the other people in Year 6. I am sure that the next Head Girl will be an excellent role model and make sure that everyone is at their best. I am happy that I have made some close friends who will always have my back and make me smile. I have been at St Martin's School since I was 3 years old. I will miss the teachers; some of whom I have known for 7 years. I will always remember when I first started the school and how much I appreciate it. Thank you so much St Martin's for everything you have done for me.

A message from Mrs Wilson and Mrs Mbah

Dear St Martin's Pupils,

You have all worked so incredibly hard this year and we are so very proud of all that you have achieved. I hope you all have a well-deserved rest and come back ready to learn in September, when we will be open to you all again. Remember to enjoy nature as much as you can and read every day. Thank you for an amazing year. Best wishes, Mrs Wilson and Mrs Mbah

Parents – thank you for your support over this past term. It would be remiss for us not to acknowledge the hard work that you have all put in whilst your children have studied from home. We are more than aware of the challenges working from home whilst supporting your children's learning (we are both working parents too) and the quality of your children's work, dedication to their studies and positive outlook has been inspiring.

Wishing you all a wonderful summer break and a good rest! Thank you

Huge congratulations to Anthony, who this week passed the YCT test with a merit. The YCT Test is an international standardised test of Chinese language proficiency. Anthony has proven that he knows at least 600 Chinese vocabulary words and now has a qualification which is equivalent to GCSE level. We are very proud of you! Well Done and enjoy your celebrations ☺

help@stmartinsmillhill.co.uk continues to be monitored and will continue to be all through the summer.
